PROFESSIONAL SUMMARY -

Frontend & UI Developer with 6.09+ years of experience in developing high-performance, scalable, and user-centric web applications using React, Next.js, JavaScript (ES6+), HTML5, and CSS3. Specialized in pixel-perfect UI development, responsive design, and SEO-friendly architecture.

Hands-on experience with REST API integration, dynamic data rendering, and state management using Redux and Context API. Proficient in Material UI, Tailwind CSS, Bootstrap, SCSS/SASS, and animation libraries such as GSAP and Framer Motion. Strong ability to convert Figma/PSD designs into production-ready interfaces, implement LTR/RTL multilingual layouts, and collaborate effectively within Agile teams on fintech and enterprise applications.
